I have been showing dogs since I was 10 years old. I started with a Longhair Standard Dachshund who I took on to be a top junior in the country. During my time as a younger Handler, I worked for many professional handlers including Lenny and Shelby Roberts, Angela Lloyd, and Frank and Maureen Jewett. While younger I ranked my two dogs, my Cocker and Dachshund, in their respective Top 20. I attended college to receive my Bachelors degree from University of Alabama. During which time I purchased my first Bluetick Coonhound who I took on to be the winningest bitch in the history of the breed. We won breed at Westminster, Eukanuba, and our National in 2014. In the whelping box, I had a litter of seven dachshunds in 2013, out of my juniors dog and first show dog, all of which puppies made Champion by 2015. I had a litter out of my Bluetick in 2015, and currently 3 are major pointed and one is a champion. My passion for breeding has grown into a passion for proper structure and a form follows function drive. I have recently applied for judging licenses, and just judged the Coonhound World show March 17 & 18. I am now working on my AKC license and look forward to many more judging assignments.
